

# **I am sorry Rachael**

**By Brian**

**I am sorry I was never a good friend to you,  
I liked everything about you.**

**I wish I could have done better,  
And never betrayed you.**

**I know you hate me,  
I know I been a jerk.**

**I wish you knew how I felt,  
Just to know the truth.**

**I am sorry for all the junk I did,  
And everyone should know.**

**I still love you,  
Even if we were never meant to be.**

**I am sorry and will never talk to you again,  
And I bet you will never talk to me again.**

**Cause it's just too painful to talk to you again,  
And I don't wanna hurt you anymore.**

**I hope you're not embarrassed by this poem,  
But I feel like I need to write this.**

**And let it out,  
So I won't feel so bad.**

**I am so sorry and that's the truth,  
Maybe someday again I will talk with you.**

**I am sorry I weren't a good friend,  
I will always remember you till the end**

**I still kept your pictures in a safe place,  
I hope you will always be alright.**

**I guess this is the end of this poem,  
I wish I would have better and not a jerk.**
